

SPECIAL APPLICATION INLET CHECK VALVE

For use in fuel tank inlet fittings

Features & Benefits

Material & Finish:

- White polymer valve with black polymer flapper

Features:

- Valve designed for use with plastic or metal tanks
- Perko's "In-Pipe ICV" fits inside the fuel inlet fitting itself
- Replaces in-line ICVs, eliminating 4 hose clamps and 2 potential leak points

Technical Information:

- ICVs mount inside standard 1½" tank fill inlet fittings (1-3/8" I.D.)
- Allows for full 18 gpm flow rates
